EURAO individual members by country in 2021

Once the 2021 financial year has been closed and the draft financial report prepared, today we want to highlight an interesting aspect of that report: from which countries do the individual members of **EURAO** come?

Germany leads the ranking with 18,2%, followed by Spain with 15,1% and the United Kingdom with 13,8%. At a certain distance they are followed by Portugal (8,2%), Belgium (7,5%), Italy (7,5%), Netherlands (6,3%) and France (5,7%). Finally we can find Greece (3,8%), USA (2,5%), Ireland (1,9%) and Romania (1,3%). Within the remaining 8,2% we can find radio amateurs from countries as far away as Australia or from nearby, European ones, such as Austria, Bulgaria, Switzerland, Czech Republic, Denmark, Estonia, Finland, Lithuania, Slovakia, etc.

Individual membership is very important for **EURAO**, not only because it represents almost half of the income, but also because it is a very good way to make itself known in some countries. Thanks a lot OMs and YLs and welcome!

[AO#WRD: World Radio Day 2022](#) nuevo

This year, the theme of the Day, **February 13**, is: "Radio and Trust".

As we are Radio too, we will celebrate again, but our own way, being on the air with the special callsigns: **AO1WRD, AO2WRD, AO3WRD, AO4WRD, AO5WRD, AO6WRD, AO7WRD, AO8WRD and AO9WRD**; during the weekend: **from Friday 11 to Sunday 13**.

Stay tuned and contact these special event stations.

EURAO Party - Winter 2022: World Radio Day

The **European Radio Amateurs' Organization** announces a new party on the air, this time with the motto: "*World Radio Day*". Remember this is not a contest, it is just a radio meeting with a few simple 'rules', better to call them recommendations.

Purpose: the **World Radio Day** (WRD), February 13, was proclaimed in 2011 by the Member States of UNESCO and adopted by the United Nations General Assembly in 2012 as an International Day devoted to Radio, a mass media, simple and low cost, specifically suitable to reach remote communities and vulnerable people. So let's honor this sector, of which we are part, listening and contacting other stations like us.

Date & time: February 12th and 13th, 2022, Saturday and Sunday, 00:00-24:00 UTC.

Bands & modes: all modes and frequencies, mainly in HF bands, but not only. [EFG](#).

Call: "CQ World Radio Day EURAO Party".

Exchange: the usual RS(T) and callsign as required.

Logs: for statistic purposes only, we ask participants to submit their logs to party@eurao.org in ADIF format, where the filename should be your callsign (e.g. EA3RKF.ADI).

There will be no results or league tables, only statistical information about number of QSOs, countries, callsigns, OMs/YLs/Clubs, etc.

Certificate of Participation: for all those sending the log and without a minimum of confirmed QSOs.

EuroBureauQSL: you can use it to interchange QSLs even if you are not member. In this case, just send the QSL to the entry point in the country of the station you have contacted.
